Home team members,

The Ranking and Scoring committee is recruiting members to rank and score the 2023 Continuum of Care projects for this year's Notice of Funding Opportunity. We are also looking for persons with lived experience (homeless or formerly homeless including youth, survivors of domestic violence and persons with disabilities) to assist with this process and serve on the ranking and scoring committee. Persons with lived experience will be paid for their services and time. If you are interested, or know someone with lived experience that may be interested, please email George Fickenworth at gfickenworth@mercyhurst.edu or call him at 814-824-2183.
